

# CHANGES AT A GLANCE

The Mega Millions game group voted to change Mega Millions nationwide. These changes will take place in ALL states selling Mega Millions.

## MEGA MILLIONS ENHANCEMENTS

### 1 New \$5 Game with LARGER JACKPOTS

- Starting jackpot increased to **\$50 Million**.

### 2 New Built In Multiplier Feature

- The Multiplier feature is now included in the price of a single \$5.00 wager. Players multiply non-jackpot wins by **2x to 10x** on every play.

- Individual multiplier (2x, 3x, 4x, 5x, or 10x) will be randomly assigned per line at time of purchase.**

### 3 BIGGER wins

- Win a **minimum of \$10 and up to \$10M** on non-jackpot prizes.
- Match 5 prizes with the new built-in multiplier will range from **\$2 million up to \$10 million**.
- The prize for matching only the Mega Ball will increase to **\$10-\$50**, depending on the randomly assigned multiplier.

### 4 Better Benefits to Schools

- Approximately 35% of every Mega Millions ticket will benefit Idaho Public Schools and Buildings.
